

ASP RANGE

SPHERICAL MODERN / HERITAGE GLOBE LIGHT

The ASP LED range is part of our range of Heritage style post top area lights that are supplied IP66 rated as standard. The luminaire comes in 3 sizes – 400mm diameter, 450mm diameter and 500mm diameter, with each size available with a choice of colour temperatures, lumen output and cage options.

The ASP is manufactured as standard with an opal acrylic diffuser and a black powder coated aluminium base retainer. There are 2 half cage options, a 4 rib version and an 8 rib version as well as the full cage version with 8 ribs.

LUMINAIRE CAT NO.	POWER tcW	LUMEN OUTPUT	EFFICACY L/W	WEIGHT KG	DIM OPTION
